<b>Section: []</b>					
Topic: Power Co Limited - Greerton Switching Station (RC14421)					
Issue: PC8 - PowerCo Limited Alach Street - General [PC8GEN]					
Powerco Limited	5	1	S	Designation PC8 is supported.	Designation PC8 is supported.
Topic: Tauranga City Council - Poike Pump Station PS75 (RC14443)					
Issue: Amenity [AMENITY]					
De Jong, Charlotte Louise	3	1	O	Oppose the listing of Poike Pump Station. The proposed designation is over too much land and allows further development or additional infrastructure to be erected. This will seriously effect amenity and views. The submission notes that the designation will not be opposed if the designation only relates to what it already constructed.	The alteration of the designation area and wording to only protect what is currently in place together with any reasonable access and maintenance.
Topic: Tauranga City Council - Taylor Road Pump Station PS89 (RC14443)					
Issue: Effects on Environment, Views and Outlook [EFFECTS]					
Foster, Julene Margaret	2	1	O	Opposes the notice of requirement due to visual enhancement, effects on views, outlook and uncertainty and unknown future upgrades or further development of the site.	Adjoining owners to be notified in writing of any upgrade or further development of the site.
Topic: Tauranga City Council - The Lakes Pump Station PS130 (RC14443)					
Issue: Access [ACCESS]					
Grasshopper Farms Ltd & Bridgewater Village Ltd	1	1	U	A public walkway/cycleway passes through the proposed designation area which needs to be kept open and accessible to the public at all times.	No additional fencing be erected other than that already in place as security fencing for the pump station.
Grasshopper Farms Ltd & Bridgewater Village Ltd	1	2	U	The existing access to the pond forebay should not be fenced off or blocked in any way.	No fencing (or similar restrictions on access to the pond forebay) are to be put in place through establishment of the Designation.
